To Whom it may concern,

I had my Mom, Lenny Hanseler stay at Rose's the last few months of her life. This has been the 4th place she was in, and I can't say enough about it!

They took such good care of her, I couldn't have asked for more. My Mom was in the hospital for almost a month and I was so impressed, Rose came continually to visit her, and it wasn't close by. For her birthday they had such a spread, I couldn't believe it!

Mary and Connie were so good to her and the meals and baking were outstanding. The personal touches and relaxing atmosphere of the place made it feel like a home for all of us.

They felt the same as I did that their tenants, shouldn't be herded in front of the T.V all day long if they didn't want to. They have freedom and dignity there.

I would highly recommend this residential home for elders to ANYONE!!! From all the other places my Mom was in this is the BEST!!!

If you would like to call me and ask any questions, my # is 619-698-2716
